

# GARDENING 301: HOW TO START AND SUSTAIN A SCHOOL GARDEN PROGRAM

If you want to get involved in starting or sustaining a school garden, join us for this free course!

## Course Schedule

All classes are 5pm-7:30pm

Join us for 4 consecutive Tuesdays from Jan. 17, 2012 through Feb. 7, 2012

- Making the Case for School Gardens**
- Building a School Garden Leadership Team**
- Garden Planning and Design**
- Budgeting and Fundraising**
- Community Partnerships and Volunteers**
- Curriculum and Outdoor Classroom Management**
- Gardens as Part of the Wellness Movement**

A course manual will be provided. This is a great place to meet community members with similar goals in supporting school gardens!
